

Safe Return Card

An Identity Card for Persons with Dementia

“My dad was diagnosed with Alzheimer’s disease and this card comes in timely for him. It has all the necessary details on the card and I feel very assured that when he is lost, whoever finds him will know how to make contact using the emergency numbers.”

Ms Wendy Ong
Daughter of a senior with dementia

Safe Return Card

The Safe Return Card contains information like the contact details of their caregiver or next-of-kin that will help members of the public to provide appropriate assistance, if they lose their way.

Cardholders can also enjoy discounts at participating outlets offering assistive equipment, food & beverages and places of interest. For more information, please visit www.ncss.org.sg/social_service.
